1st Regional Steering Committee for the launch of the Health Security Program (HeSP) in West and Central Africa - Praia, October 4, 2024

The HeSP Regional Steering Committee, under the chairmanship of WAHO Director General, Dr. Melchior Athanase JC AÏSSI, held a working session, aimed at validating the report of the technical experts on the management of the program and the annual budgeted action plans of the three beneficiary countries of the initial phase.

The Committee issued key recommendations for implementation and stressed the importance of accelerating the accession process for the beneficiary countries of the next phase, while expressing its gratitude to the World Bank Group for their continued partnership with WAHO and ECOWAS member countries, particularly thanking the Ministers of Health of Cabo Verde, Guinea and Liberia for their support.
