RCCE Preparedness in ECOWAS region

ECOWAS Centre for Surveillance and Disease Control ✓

@Ecowas_cdc

This workshop marked the continuous efforts of moving RCCE agenda forward in the @ecowas_cedeao region and was an engaging event at the end of which:

1. The existing collaboration and coordination mechanisms between Civil Society Organisations (CSOs), Community leaders and RCCE teams in the context of epidemics management in the ECOWAS region was assessed;
2. Good practices, challenges and prospects of collaboration and coordination between CSOs, Community leaders and RCCE teams in ECOWAS Member States were shared;
3. A regional collaborative mechanism and a Standard Operating Procedure (SOP) for effective engagement of CSOs and leaders in RCCE preparedness and response to public health emergencies by Member States was developed.

Celebration of WAHO Day, July, 9th 2024, Message from the Director General

Ladies and Gentlemen,
Dear peoples of ECOWAS,
37 years ago, the Heads of State and Government of West Africa, convinced of the crucial importance of health for social and economic development and for the integration of peoples, adopted Protocol A/P2/7/87 creating the West African Health Organization (WAHO), the only specialized health institution within the Economic Community of West African States (ECOWAS) ...

The video player shows a green background with the ECOWAS logo and name in three languages at the top left, and the '37 Years Anniversary' logo at the top right. The main text reads: '37th West African Health Organization's Anniversary : 1987 - 2024'. Below this, it says 'Better health for better ECOWAS : 37 years of committment', 'Une bonne santé pour une meilleure CEDEAO : 37 ans d'engagement', and 'Melhor saude para uma melhor CEDEAO : 37 anos de engajamento'. At the bottom, there is a play button, the website 'www.wahooas.org', the handle '@OoasWaho', and a progress bar showing '0:01 / 1:19' along with volume, settings, and share icons.
